The Seven Mountains of Influence

In advancing the kingdom of God we are to influence the earth for Christ. The Church must be a positive agent of change and transformation in the community. We are a Governmental Church – The saints must rise and taking their place in the society as God's agent

There is what is known today as the Seven Mountains of Influence, and the nations of the earth is changed and transformed through these Seven Mountains.

1. Family 2. Religion – (Spirituality) 3. Business – (Economy, Finance)
4. Politics – (Government) 5. Education 6. Media – (Communication)
7. Arts – (Entertainment, Celebration, Sports)

These Seven Mountains of Influence are considered to be cultures that mold the way we think and influences our lives on a daily basis, and if we are to make any significant impact and change in the community as a Church, then we must engage these Seven Mountains of societal spheres, and influence them for Christ and His kingdom, by so doing we can bring change and transformation to a nation.
